

CLYDEBANK & DISTRICT GOLF CLUB

CATERING FRANCHISE

Clydebank & District Golf Club is a private members' club, situated in Hardgate on the western edge of Glasgow. Our beautiful parkland course attracts a growing number of visitors and societies, while a range of attractive packages is helping to maintain and develop membership of approx. 500. The relaxed atmosphere in the lounge reflects the welcome that we wish to offer to members and visitors alike.

We have an opportunity for an experienced Caterer to take on the Catering franchise for our club restaurant to look after the day to day catering requirements of members and visiting golfers. In addition catering is also required for formal dinners, restaurant meals, social events and private parties. This is an ideal opportunity for a self-motivated Caterer to expand this business in conjunction with the Club.
